Get the financial advice you need with **Elbro BlueStar**

We're committed to helping you reach your financial goals – whether you're planning for retirement, saving for a holiday, securing your child's future, or building your business.

Consulting an accredited financial adviser is essential to help you with some of the most important financial

decisions of your life – and at Elbro BlueStar, we offer you holistic advice to help you reach your financial goals, achieve sustainable wealth and gain peace of mind.

But what is it that sets a BlueStar business like ours apart?

A range of **financial expertise** under one roof

At Elbro BlueStar, you'll draw on the expertise of a team of financial specialists who can offer you personalised advice and a wide range of financial solutions – from financial planning and insurance to investment advice and retirement planning. We also offer short-term insurance with our partners MiWay and Santam. And if any of your financial needs can't be addressed by one of our advisers, we'll source an expert for you.

Continuity and **peace of mind**

As an Elbro BlueStar client, you'll be building a relationship with our team of financial advisers, rather than with a single adviser. And this means that you'll always deal with someone who understands your financial situation and goals and knows your long-term financial plan. This continuity, along with the knowledge that the financial advice we provide is backed by Sanlam, means you can rest assured that your finances are always in good hands.

Our **commitment to you**

Elbro Bluestar is situated in Thabazimbi, Limpopo province. We are a team of financial advisers that provide specialised services that include Short-term insurance, Financial Planning investments and Employee Benefits.

We believe that individual professional advice is key in everyone's lives. We focus on providing client-based advice that suite anyone's needs with regular updates at least once a year.

We are well known in the community and focus on uplifting individuals and continuous skills development in our staff.
