Get the financial advice you need with **Mlibo** **BlueStar**

We're committed to helping you reach your financial goals – whether you're planning for retirement, saving for a holiday, securing your child's future, or building your business.

Consulting an accredited financial adviser is essential to help you with some of the most important financial

decisions of your life – and at Mlibo BlueStar, we offer you holistic advice to help you reach your financial goals, achieve sustainable wealth and gain peace of mind.

But what is it that sets a BlueStar business like ours apart?

A range of **financial expertise** under one roof

At Mlibo BlueStar, you'll draw on the expertise of a team of financial specialists who can offer you personalised advice and a wide range of financial solutions – from financial planning and insurance to investment advice and retirement planning. We also offer short-term insurance with our partners MiWay and Santam. And if any of your financial needs can't be addressed by one of our advisers, we'll source an expert for you.

Continuity and **peace of mind**

As a Mlibo BlueStar client, you'll be building a relationship with our team of financial advisers, rather than with a single adviser. And this means that you'll always deal with someone who understands your financial situation and goals and knows your long-term financial plan. This continuity, along with the knowledge that the financial advice we provide is backed by Sanlam, means you can rest assured that your finances are always in good hands.

Our commitment to you

Mlibo BlueStar is based in Bellville, in the Western Cape. Our financial planners are authorised by Sanlam to advise you on a full range of financial solutions and will actively work with you to achieve financial independence and sustainable wealth.

We follow a structured financial planning process to construct a financial plan that is tailor-made for you. It is therefore crucial that we have complete and accurate information about you and your finances. You can provide as much information as you are comfortable with and we will request additional information as it is required to complete your plan.

Products and Services:

We offer a comprehensive range of products and services to help you achieve your financial goals through each stage of your journey covering all your needs from personal income protection, short- and medium-term savings goals, retirement planning and the commercial needs of your business.
