Get the financial advice you need with **ProsperPlus BlueStar**

We're committed to helping you reach your financial goals – whether you're planning for retirement, saving for a holiday, securing your child's future, or building your business.

Consulting an accredited financial adviser is essential to help you with some of the most important financial

decisions of your life – and at ProsperPlus BlueStar, we offer you holistic advice to help you reach your financial goals, achieve sustainable wealth and gain peace of mind.

But what is it that sets a BlueStar business like ours apart?

A range of **financial expertise** under one roof

At ProsperPlus BlueStar, you'll draw on the expertise of a team of financial specialists who can offer you personalised advice and a wide range of financial solutions – from financial planning and insurance to investment advice and retirement planning. We also offer short-term insurance with our partner Santam. If any of your financial needs can't be addressed by one of our advisers, we'll source an expert for you.

Continuity and **peace of mind**

As a ProsperPlus BlueStar client, you'll be building a relationship with our team of financial advisers, rather than with a single adviser. And this means that you'll always deal with someone who understands your financial situation and goals and knows your long-term financial plan. This continuity, along with the knowledge that the financial advice we provide is backed by Sanlam, means you can rest assured that your finances are always in good hands.

Our **commitment to you**

ProsperPlus (Pty) Ltd is dedicated to improving the financial well-being of our clients. We are committed to providing comprehensive financial solutions that not only address their immediate needs but also empower them to become more financially savvy.

Products and Services:

We offer a comprehensive range of products and services to help you achieve your financial goals through each stage of your journey covering all your needs from personal income protection, short- and medium-term savings goals, retirement planning and the commercial needs of your business.
