Get the financial advice you need with **SWD BlueStar**

We're committed to helping you reach your financial goals – whether you're planning for retirement, saving for a holiday, securing your child's future, or building your business.

Consulting an accredited financial adviser is essential to help you with some of the most important financial

decisions of your life – and at SWD BlueStar, we offer you holistic advice to help you reach your financial goals, achieve sustainable wealth and gain peace of mind.

But what is it that sets a BlueStar business like ours apart?

A range of **financial expertise** under one roof

At SWD BlueStar, you'll draw on the expertise of a team of financial specialists who can offer you personalised advice and a wide range of financial solutions – from financial planning and insurance to investment advice and retirement planning. We also offer short-term insurance with our partners MiWay and Santam. And if any of your financial needs can't be addressed by one of our advisers, we'll source an expert for you.

Continuity and **peace of mind**

As a SWD BlueStar client, you'll be building a relationship with our team of financial advisers, rather than with a single adviser. And this means that you'll always deal with someone who understands your financial situation and goals and knows your long-term financial plan. This continuity, along with the knowledge that the financial advice we provide is backed by Sanlam, means you can rest assured that your finances are always in good hands.

Our **commitment to you**

Our Mission is to deliver the highest quality full professional service with the utmost integrity while adhering to every aspect of the Insurance Code of Ethics when working with the public. Committing to continually improve our services at every level ensuring we remain a trusted company of excellence.

What makes us unique is that we value the principal of treating clients fairly and professional, that's why our top priority is to satisfy the needs of our clients. Each and every client is treated in a way that makes them feel special and valued. Our financial planners are authorised by Sanlam to advise you on a full range of financial solutions and will actively work with you to achieve financial independence and sustainable wealth.
